Dear Sir or Madam

## Net Tangible Asset Backing

The Net Tangible Asset Backing of Milton Corporation Limited (Milton) shares at 31 July 2009 was \$16.28 per share (30 June 2009: \$15.11).

Milton is a long-term investor and does not intend disposing of its long-term investment portfolio. However, under current accounting standards, Milton is required to provide for tax that may arise should the portfolio be disposed of on 31 July 2009. After deducting this theoretical provision, the above figure would be \$14.79 per share (30 June 2009: \$13.98).

All calculations are before providing for a final dividend.

Yours faithfully,  
MILTON CORPORATION LIMITED

R. Davison  
Secretary
